

Dear Parents,

Our middle and high school scholars have access to a microwave during their designated lunch time. We highly recommend that the scholars bring home cooked meals to reheat. For the safety of our students and school, students must adhere to the following rules.

Student Microwave Rules:

- A maximum of 3 minutes per student is allowed.
- Only 1 item per student
- Microwave safe dishes only-absolutely no aluminum foil or metal of any kind may be used.
- First come, first served- students will have to line up and wait their turn.
 - This could possibly mean a longer wait time, resulting in a lack of adequate time to heat and eat their lunch.
- All items must be covered
- Students are responsible for cleaning up any spills or splatters from their items.
- Students may not leave their items unattended.
- Students may not interrupt the cooking of anyone else's items.
- Students may not share any food items. (student/parent handbook page 20)
- Students may not order food from the outside. (student/parent handbook page 20)

Items Not Allowed:

- Frozen items
- Microwave popcorn
- Ramen noodles (cups)
- Macaroni cups
